Invitation

Dear Friends and Colleagues,

We cordially invite you to the 4th Berlin Symposium "Sex and Gender in Medicine". The symposium will discuss relevant issues in gender research from a broad spectrum of medical disciplines, basic and clinical research as well as health care and prevention research and medical education in a scientific forum. The symposium aims to promote gender research and to network gender researchers. We are pleased and honored that highly renowned international experts have followed our invitation to view their scientific field through "gender glasses".

We greatly appreciate receiving your abstracts for poster sessions.

We are looking forward to meeting you in Berlin!

Prof. Dr. Vera Regitz-Zagrosek, Speaker GiM

Prof. Dr. Patricia Ruiz Noppinger, Vice-Speaker GiM
